

3-Year Installation Warranty

To the buyers of windows and door products from DtWM, a 3-year warranty for labor is included in all work performed by the company and its workers. This warranty will begin from the time of installation of original product.

This labor warranty includes workmanship only, to be limited to door and window installation as to:

1. Proper function and fit
2. Trim installed
3. Caulking
4. Locking function and screen fit
5. Glass breakage due to stress cracking only (factory warranty to supply glass)

These items are in no way to delay balance due or final payment as to terms of contract. Work to be performed within 30 days of notice from customer.
